Earth Day Project

A big thank you to goes out to everyone who participated in our "Plastic Bag Challenge". We turned in **68 bins** of plastic to be recycled into other products such as decking materials. You can continue to recycle your plastic bags by taking them to your local grocery store. Each day this week the children will receive tips on how to be "green" at home.

Keep Sending in Yogurt Containers!

We can earn money for Lacy while reducing waste! Please send in clean, empty 6-ounce and 32-ounce yogurt containers with wide mouths such as Stonyfield Farm, Brown Cow, Breyers, Dannon, etc. They cannot use the lids or Yoplait yogurt containers. Ask friends and family to save their containers! The collection box is in the front hall.

Box tops, Labels, and Milk Tops, Oh My!

It's that time of year again. The annual collection of Box tops for Education, Campbell's Label, and Harris Teeter milk tops is underway. Please look for the information sheet in your Wednesday folders. The collection will run April 16-30. There will be a grand prize and a runner up winner, with gift certificates to the Lacy school store. Last year we collected over \$1200.00 in Box tops alone! Cindy Densmore and Betsy Payne

Harris Teeter VIC card Link-up

If you haven't linked your Harris Teeter VIC card, or if you are new to Lacy, please remember to link up your Harris Teeter VIC card to Lacy Elementary. Our number is 2895. This easy, no-fuss fundraiser accrues money for Lacy every time you buy Harris Teeter products. This school year we have already received over \$1300.00.

Volunteer Tea

The staff was pleased to honor our volunteers with a tea yesterday and hope that volunteers will accept this as a token of appreciation for the many things you do for our school. Six of our Lacy Lions provided musical entertainment during the tea. Thanks to Erin Eichenberger, Cy Doherty, Mackenzie Mims, Alex Day, Ayla Gizlice, and Sarah Goodwin Brook for sharing their talents.

Parent/Principal Meeting

A Parent/Principal meeting is scheduled for May 13th in the Media Center at 7:00 p.m. News about the building program, instructional program for next year, academic achievement, etc. will be shared. Also, a chart will be completed on the positive elements of this year's program and improvements needed for next year. All parents are encouraged to attend.
