

Wednesday Words

Frances Lacy Elementary School

March 26, 2008

“Frances Lacy Elementary School will inspire and prepare students to achieve their potential.”

Spring Break

**Have a safe and fun-filled spring break: March 31-April 6.
Monday, April 7, is a teacher workday. We will welcome all students back to school on Tuesday, April 8th.**

Lacy Volunteer Tea

On Tuesday, April 15th, we will honor all Lacy volunteers from 11:00-12:30 in the Media Center. Lacy is, and always has been, an exceptional place, and much of the credit goes to our wonderful volunteers. We appreciate all you do for our school and look forward to seeing our volunteers on the 15th.

Sara Morgan, Lacy Volunteer Coordinator

Send in Your Empty Yogurt Containers!

Get involved in an Earth Day project by sending in clean, dry yogurt containers! Yogurt containers are not currently recycled in Raleigh but this program reuses certain ones as planting pots. We can earn money for Lacy while reducing waste! They accept the 6-ounce and 32-ounce yogurt containers with wide mouths such as Stonyfield Farm, Brown Cow, Breyers, Dannon, etc. They cannot use Yoplait yogurt containers because of the different shape and size. Ask friends and family to save their containers! **We will continue this even after Earth Day.** (The yogurt recycling container has been placed in the lobby next to the plastic bag recycling box.)

LACY SPRING CLOTHING DRIVE

The PTA Community Outreach Committee will be organizing the annual Lacy Spring Clothing Drive for the Lacy Community. We will be collecting GENTLY used pants, shirts, dresses, skirts, shorts and shoes. We will NOT be accepting underwear and socks. **We will only accept small men's and women's shirts that would be appropriate for our older Lacy students.** Please do not send any other adult clothing. We will be collecting donations on April 16th – 18th during the morning carpool drop-off. The clothes will be distributed April 22nd and 23rd. Look for more details in your Wednesday folders in April. If you have any questions please call Mary Ann Parrot (786-2572) or Patricia Danielsen (376-3836).

Kangaroo Math

All children who are participating in Kangaroo Math with Mrs. Robinson and Mrs. Otersen should meet in the cafeteria on Thursday afternoon (March 27) at 3:00. Parents may pick up their children in the cafeteria at 5:00.

Earth Day Project: Recycle Your Plastic Bags Through April 11th!

Wow! We have turned in over 28 bins of plastic bags for recycling. Keep up the good work! Send in your clean and dry plastic grocery bags, newspaper bags and dry cleaning bags so we can have them recycled. Thank you! Leslie Tart and Catherine Scott
