Kid’s Voting Helps Build Lifelong Voters! So Come Help Us on Election Day, October 9!

It has been proven that if kids see their parents vote and learn early about the importance of voting in our governments’ elections, they can become regular educated voters. Kid's Voting is a private, nonpartisan, nonprofit, grassroots organization that promotes voter participation by educating America's youth about the importance of an informed electorate and the responsibilities of voting to sustain democracy. It is the **only** civics program that brings students into official polling sites on Election Day. Wake County's award-winning program reaches out to over 125,000 students.

Because Lacy Elementary serves as a voting precinct, the PTA helps staff the Kid’s Voting “booths” at our precinct **on Election Day, October 9**. This also gives our teachers an opportunity to bring classes in to “vote” or, at least, view the voting process.

We need volunteers to cover one or two hour shifts at the Lacy Precinct. Generally, we cover the before school and after school hours, but may add on more shifts as teachers ask to bring classes in. If you are interested in helping with a shift, contact Beth Yerxa at 787-3876 or byerxa@nc.rr.com.
